Membership Update:

There are now 238 member households in TLRA, which includes 8 new members in the last year and 4 more already in '23. Please help us educate all our new members. (All have received copies of the TLRA Rules & Regulation's.)

Boat Stickers:

2023 boat stickers will be mailed out by the first part of May. Please put 2 of these on all your watercraft and trailers as this is the only way we have of monitoring lake use by members, and it helps in returning "lost" boats.

Matching Funds Projects and Erosion Control

For 2023, all shoreline projects are on hold pending a LWRC update. (Larimer & Weld Reservoir Company) The Terry Point erosion project is currently being reviewed by the LWRC engineers. LWRC will provide the heavy equipment to place the rock at Terry Point around the first of April.

Thanks to the 69 households who donated \$7624 towards this project which is added to the \$2856 from the Larimer County grant and an additional \$5311 from TLRA.

Fish stocking:

Fingerling walleye and perch were stocked in Terry Lake in October of 2022.
